

TAS Finals – 2025 & 2026

In 2025 and 2026, the TAS Trimester 2 season will be shortened and will not include finals.

This decision is based on the scheduling of ANZAC Day in these years. In 2025, ANZAC Day falls on Friday 25 April, and in 2026 on Saturday, 25 April; both during Week 1 of Term 2.

In both years, the significance of ANZAC Day and its timing will cause substantial disruption to the regular season. Consequently, Round 1 will commence on the Saturday of Week 2. Given that both terms consist of only nine weeks, the association has determined that the most appropriate solution is to shorten the season and forgo the finals.

This disruption to the usual Trimester 2 season structure is an uncommon occurrence and, depending on future school term dates, is not expected to happen again for a considerable time.

We appreciate the understanding of our member school communities regarding this adjustment.
